APPROPRIATION FOR JEFF DAVIS HIGHWAY

Senator Eaton Indicates He
Will Ask Legislature to Help
the Road.

State Senator W. V. Eaton, who is spending several days with his family, Saturday intimated that he will, at a meeting of the joint road committee of the house and senate next week, make an effort to have these committees to set aside a snug sum for the proposed Jefferson Davis highway.

Plans and specifications of the highway have been completed and everything will be in readiness for work to begin as soon as the executive committee of the association meets. About \$400,000 will be apportioned roads at the present session of the legislature.—News-Democrat.

J. T. HARAHAAN KILLED IN AN I. C. WRECK

Together With Frank O. Melcher and E. B. Pierce At
Kinmundy, Ill.

WERE ASLEEP WHEN KILLED.

Mr. Harahan Was One of the
Leading Railroad Men of
America.

Centralia, Ill., January 23.—James T. Harahan, Sr., former President of the Illinois Central; Frank O. Melcher, Second Vice-President of the Rock Island; E. B. Pierce, General Solicitor of the Rock Island, and Eldridge E. Wright, son of Luke E. Wright, former Secretary of War, were killed in a collision of two Illinois Central trains at Kinmundy, Ill., about twenty miles from here early yesterday.

Three trainmen were injured and the passengers in the coaches were badly shaken up and bruised.

In Private Car.

Train No. 25, known as the New Orleans express, was taking water at Kinmundy at 1 o'clock when train No. 3, the Panama Limited, ran into the rear of No. 25.

The killed were in the private car of Mr. Melcher. Their bodies were found near the berths they had occupied.

Four occupants of the private car escaped death or injury. These are Byron E. Curry, private secretary of Mr. Melcher; Thomas B. Busbee, attorney for the Rock Island in the states of Arkansas and Louisiana, and two negro porters.

The engine of No. 3 plowed its way through the private car which was attached to No. 25 and was stopped by the steel coaches immediately preceding it. The impact shoved the standing train for a distance down the tracks, although the brakes were locked.

The engineer and fireman of the limited were slightly injured, but were able to take the train South as soon as the wreckage was cleared away.

Relief trains left Centralia soon after the wreck, intending to bring the injured and dead to this place. Mr. Harahan recently retired from the Presidency of the Illinois Central Railroad on a pension. Mr. Melcher lived at Winnetka, Ill., and Mr. Pierce in Highland Park, suburbs of Chicago. Mr. Wright resided in Memphis.

Residents of Kinmundy, a town of 1,500 inhabitants, opened their doors to succor the injured.

The cause of the wreck is ascribed to scarcity of water along the road. A special order makes it necessary for all trains to take water at Kinmundy and a freight train which took water before the express held the express longer than usual.

It is believed the engineer and fireman of the Panama Limited forgot about the order for all trains to take water. The flagman of No. 25 did not have time to flag the limited.

COUNTY UNIT GETS SETBACK

House Bill Is Recommended to
Committee and Vote Is
Deferred.

IN HANDS OF ITS FRIENDS.

Committee Stands 5 to 2 In
Favor of Graham
Measure.

Frankfort, Ky., Jan. 24.—Opponents of the County Unit Extension Bill won a decided victory in the Senate Monday, when the motion of Senator R. M. Salmon, of Hopkins county, to recommit the measure to the Committee on County Unit and Public Morals until Thursday, and let the committee in the meantime consider other bills of a similar nature before it, carried by a vote of twenty to sixteen.

The vote was taken after two hours' spirited debating in which nearly every Senator present took part. The line-up on the motion to recommit follows: For the motion—Senators L. W. Arnett, T. F. Bagby, J. W. Berkshire, J. F. Bosworth, H. M. Brock, Gus Brown, J. R. Catlett, N. B. Chipman, Nimrod Coburn, W. E. Dowling, W. V. Eaton, Webster Helm, E. E. Hogg, Commodore Holman, R. L. Hubble, Hite Huffaker, C. W. Mathers, Mark Ryan, R. M. Salmon, W. F. Welch.

Against—Senators B. M. Arnett, W. J. Bale, Eliza Bertram, J. E. Biggerstaff, J. H. Durham, W. A. Frost, S. R. Glenn, J. O. Graham, S. L. Marshall, W. B. Moody, Herman D. Newcomb, J. T. Prichard, M. O. Scott, Claude M. Thomas, J. F. Tichenor, J. T. Tunis.

REPUBLICAN SENATORS.

Persons who claim to know what they are talking about, assert that when it comes to a showdown all the Republican Senators, with the exception of J. F. Bosworth, will vote for the Graham county unit extension bill. Four of the six Republican Senators had a motive in voting to defer action, it is said, hoping to frighten the "dry" Democratic members of the Senate into voting for the Bosworth redistricting bill. That may be passed, the Democratic members of the Senate depending on the House to kill it when it reaches that body. By passing the Bosworth bill, the "dry" Senators would win the undying favor of the Republican members of the upper House, and at the same time would run little risk of finally putting over a Republican redistricting measure.

Frankfort, Ky., Jan. 23.—The Senate today continued to discuss the County Unit bill, but without any change from yesterday, when by a vote of 20 to 16 it was sent back to the committee and made a special order for Thursday.

Thirty-eight thousand dollars was today appropriated to the Louisville State Fair. The Legislature has issued an invitation to Henry Watterson to address the general Assembly and tell of his boom for the Presidency.
